## Education Foundation of Pendleton President's Update:

It's time to learn! And the Education Foundation of Pendleton is ready to support our students!

Our board team has utilized the COVID shutdowns and restrictions to rethink how Foundation funds are awarded. First, the process has been streamlined. We are working to make it easier for teachers to apply for and receive funds for their projects. Also, we have worked with the school principals to come up with a list of activities that we could fund on a yearly basis. The board is also looking at having businesses sponsor some of the activities that are funded.

Our Foundation mission is our road map. Pendleton students are our priority. Thank you for your continued support.

ASPIRE COLLEGE TOURS

STUDENT FIELD TRIPS TO LOCAL GALLERIES

All six of the Pendleton High School Art Classes participated; a total of 100 students, in grades 9-12.

“The Ed Foundation has provided many opportunities for students to have unique educational experiences. These events take kids out of the normal classroom and expose them to situations that they may not normally encounter.” - *John Summerfield*
